

Tracite Fulvic Minerals (Item # 2031)

Colloidally Suspended Ionic Trace Minerals

What are Tracite Fulvic Minerals?

Tracite Fulvic Minerals is a combination of 77 trace minerals and elements that are necessary for a healthy and vibrant life. Ninety-five percent of the human body's functions require minerals and trace elements. Tracite is an iron based, plant derived, trace mineral composition rich in chromium, vanadium and selenium. It is also rich in macro-minerals, trace minerals, trace elements and especially fulvic acid.

What can Tracite Fulvic Minerals do for me?

Tracite abounds with health benefits. Some of these benefits include:

- ✓ Increases stamina and endurance
- ✓ Boosts immune response and feeds the Immune System
- ✓ Naturally detoxifies the human body
- ✓ Hormonal balance
- ✓ Balances the body's pH
- ✓ Increased perceptual clarity and well-being
- ✓ Increased ability of cells to absorb nutrients
- ✓ Beautification of skin, hair and nails

Some common ailments that can be related to a mineral deficiency are:

- ✓ Arthritis
- ✓ Diabetes
- ✓ Cardiovascular disorders
- ✓ Stomach ulcers
- ✓ Alzheimer's
- ✓ Stroke
- ✓ Aneurysm
- ✓ Anemia

Other Important Information:

We suggest five drops of Tracite two times a day. The best way to take Tracite is in an eight-ounce glass of water or sparkling water with lemon or lime. The lemon or lime helps to balance out the somewhat bitter taste of Tracite Fulvic Minerals. Other people prefer to drink it in a variety of fruit and vegetable juices. We offer a Juicing for Health and Longevity Info Sheet, which we will gladly send upon request.

As with any supplement, achieving the best results from Tracite Fulvic Minerals may require change(s) in lifestyle. Keeping an extremely healthy diet, exercising the body and mind, limiting alcohol intake, avoiding cigarette smoke, and using supplements are just a few ways to improve overall health.
